

## **Hoblet Cemetery , Allen Township, Worth Co., MO**

Hoblet Cemetery is about 2 miles north of town of Denver, MO and about 1/2 mile from the road. Currently access is difficult, gates are locked and 4WD required to go off road. Not recommended during Hunting season. The cemetery has a fence around it but is well hidden and hard to find. Cemetery has been cleaned up and mowed.

For Access Contact LaDora Combs of Denver, MO at (660) 326-2546

The last burial was in 1946, but previous burial was in 1921.

This transcription is based on digital photos taken in July, 2004. I have also included names of people know to be buried here. These are designated with OL in the Notes field.
